**SUBJECT: WORKFORCE INVESTMENT ACT (WIA) THIRD QUARTER  
PROGRAM YEAR (PY) 2012-2013 PERFORMANCE REPORTS**

This memorandum provides your Committee with information on PY12-13 Third Quarter Performance which ended on March 31, 2013. The Third Quarter performance was discussed with the youth providers at the April 30, 2013, CSSTATS-WIA Youth meeting.

### **CSSTATS**

CSSTATS-WIA is a performance management tool that allows for the following:

- Accurate and timely data sharing by everyone at the same time
- Regular and frequent meetings
- Continuous follow-up and assessments
- Accountability

At the April 30, 2013, CSSTATS-WIA Youth meeting, questions were posed to agencies that experienced challenges in meeting the performance goals, as well as to those agencies that met or exceeded the performance outcomes.

Youth providers who met or exceeded performance shared best practices and effective strategies. For those youth providers that underperformed, they were asked to provide explanations and strategies to remedy any underperformance.
